- (5) The name, address, and contact information for any individual or any corporation, partnership, or other business entity that owns ten percent (10%) or more of the appraisal management company.
- (6) The name, address, and contact information for the compliance manager.

- (12) Any other information required by the Board pursuant to G.S. 93E-2-3.

(c) Any registrant having a good faith belief that a real estate appraiser licensed or certified in this State has violated applicable law or the Uniform Standards of Professional Appraisal Practice or engaged in unethical conduct shall promptly file a complaint with the Board.

(d) Registered appraisal management companies shall pay fees to an appraiser within 30 days of the date the appraisal is transmitted by the real estate appraiser to the registrant,

except in cases of noncompliance with the conditions of the engagement. In such cases, the registrant shall notify the real estate appraiser in writing that the fees will not be paid.

(e) To qualify to be registered as an appraisal management company, each individual who owns, directly or indirectly, more than ten percent (10%) of the appraisal management company shall be of good moral character, as determined by the Board, and shall submit all information the Board deems necessary pursuant to the rules adopted by the Board. Additionally, each owner shall certify that he or she has never had a license to act as an appraiser refused, denied, cancelled, or revoked by the State of North Carolina or any other state.

(f) A registered appraisal management company shall not enter into any contracts or agreements with an independent appraiser for the performance of residential real estate appraisal services for properties located in this State unless the independent appraiser is licensed or certified in good standing pursuant to the North Carolina Appraisers Act.

(g) Each applicant for registration or for a renewal of a registration shall post with the Board and maintain a surety bond in the amount of twenty-five thousand dollars (\$25,000):

- (1) The bond shall be in a form satisfactory to the Board.
- (2) The bond will accrue to the Board for the benefit of a claimant against the registrant to secure the faithful performance of the registrant's obligations under this Article and to a real estate appraiser who has performed an appraisal for the registrant for which the appraiser has not been paid.
- (3) The aggregate liability of the surety shall not exceed the principal sum of the bond.
- (4) A party having a claim against the registrant may bring suit directly on the surety bond, or the Board may bring suit on behalf of the party having a claim against the registrant, either in one action or in successive actions.
- (5) A claim reducing the face amount of the bond shall be annually restored upon renewal of the registrant's registration.
- (6) The bond shall remain in effect until cancellation, which may occur only after 90 days written notice to the Board. Cancellation shall not affect any liability incurred or accrued during that period.
- (7) The surety bond shall remain in place for no less than two years after the registrant ceases operations in this State. However, notwithstanding this provision, the Board may permit the surety bond to be reduced or eliminated prior to that time to the extent that the amount of the registrant's outstanding obligations to appraisers is reduced.

(h) A registered appraisal management company that requires a real estate appraiser to submit to a criminal background check as a condition of employment, contractual relationship, or access to an appraisal portal shall accept a criminal background check that has been performed within the preceding 12 months and that substantially conforms to the criminal history record check required under G.S. 93E-1-6(c1).
